---

**CHANGING YOUR TOMORROW**

---

## **LEARNING OBJECTIVE :**

- To enable the learner to learn some new words from the chapter.

# HOW EARLY PEOPLE LIVED

## Activity

Answer the following questions (orally)

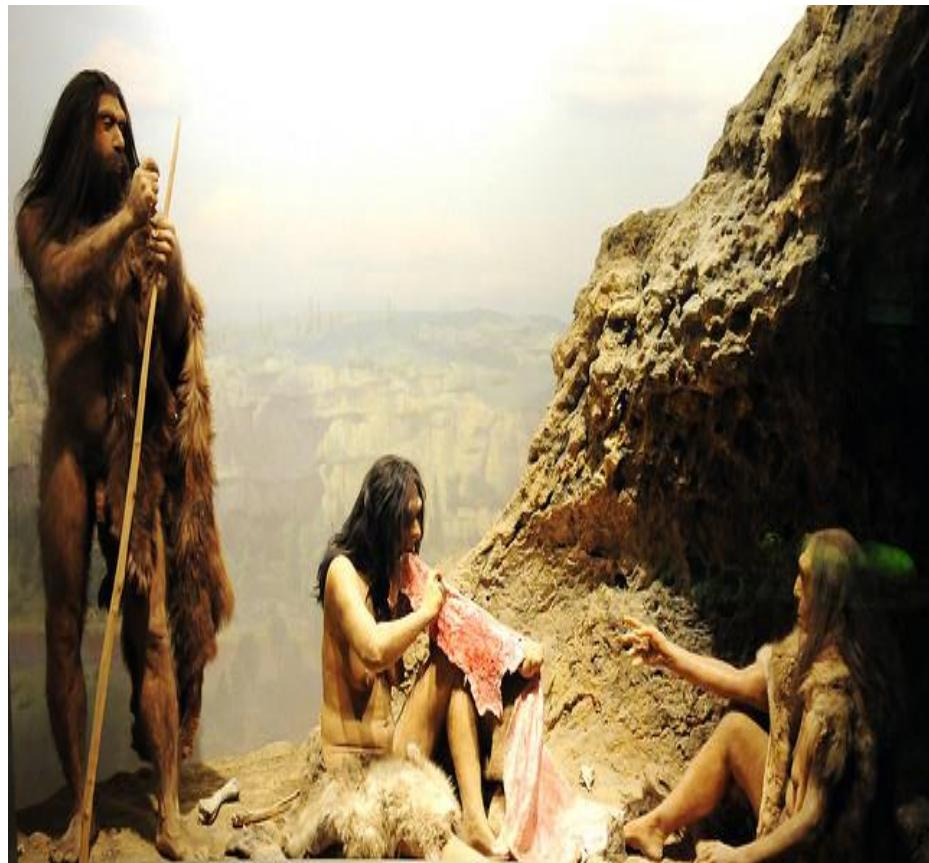

1. Where did early people live?
2. How did they hunt animals?
3. How did they use fire?
4. How did they cover their bodies?

# Modern people

# Early people

# Where did early people live?

FOREST

CAVE

- Early people lived in forests and caves.

# What did early people wear?

**Animal skin**

**Leaf**

**Grass**

- Early people used animal skins, leaves and grass to cover their bodies.

# What did early people eat?

ROOTS

WILD FRUITS

MEAT OF ANIMALS

- Early people ate roots, wild fruits and meat of animals.
- They ate the meat without cooking it because they did not know about fire and its uses.

## Different tools they used.

TOOLS

- Early people made tools or sharp things to hunt animals.
- Their tools were made of stone.

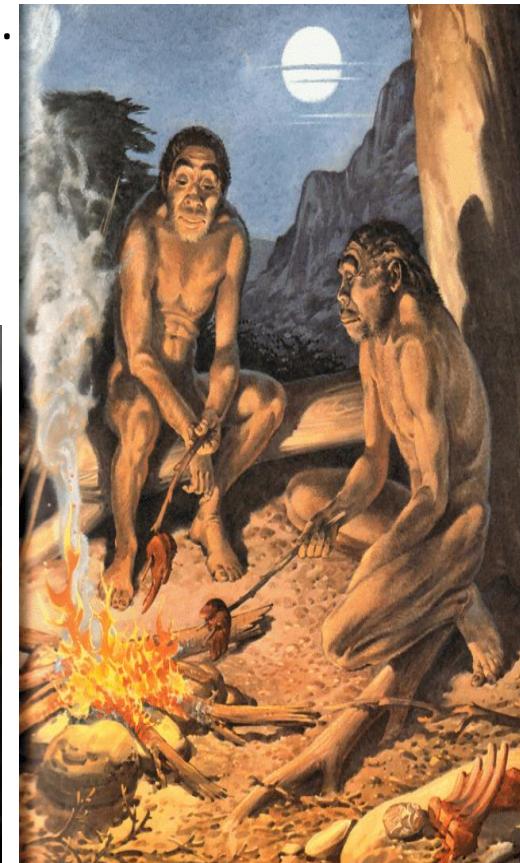

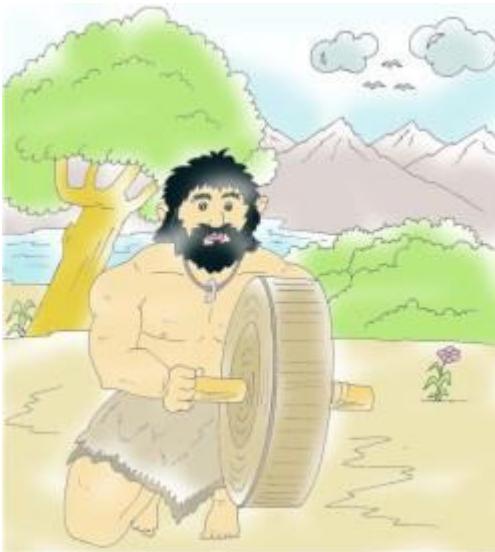

STONE

## Uses of fire.

- They also learnt to make fire by rubbing two stones together.
- Fire kept them warm when it was cold.
- Later they learnt to cook meat on fire.

## Uses of Wheel

- Early people also learnt to make wheels.

- Early people used the wheel to move heavy things from one place to another.

## New words
