Leaf

Grass

➤ Early people used animal skins, leaves and grass to cover their bodies.

What did early people eat? Different tools they used.

ROOTS

WILD FRUITS

MEAT OF ANIMALS

- Early people ate roots, wild fruits and meat of animals.
- They ate the meat without cooking it because they did not know about fire and its uses.

- Early people made tools or sharp things to hunt animals.
- Their tools were made of stone.

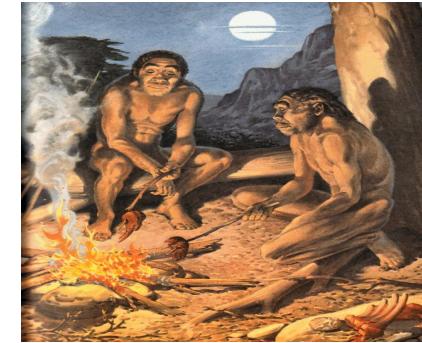

STONE

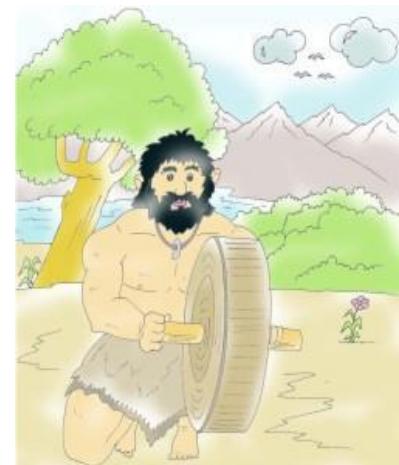

TOOLS

Uses of fire and wheel.

- They also learnt to make fire by rubbing two stones together.
- Fire kept them warm when it was cold.
- Later they learnt to cook meat on fire.

- Early people also learnt to make wheels.
- Early people used the wheel to move heavy things from one place to another.
