TIME CALENDAR

Lets recapitulate

Mary and her friends practices singing for 3 hours 30 minutes everyday. How many minutes do they practice singing each day?

The duration of practicing singing everyday

= 3 hours 30 minutes

Since 1 hour = 60 minutes

so, 3 hours = 3×60 minutes = 180 minutes

Thus, 3 hours and 30 minutes = 180 minutes + 30 minutes = 210 minutes

So, the duration Mary and her friends practice singing is 210 minutes.
