## Recap

- We always use **am** with the pronoun *I*. For example, *I am from Italy*.
- We use **is** to talk about one person, animal, place or thing. We also use **is** with the pronouns *she*, *he* and *it*. For example,  
*She is tired.*      *He is happy.*      *It is a bird.*
- We use **are** to talk about more than one person, animal, place or thing. **Are** is used with the pronoun *you* to talk about one person only when we are speaking with someone. We also use **are** with the pronouns *we* and *they*. For example,  
*We are going to school.*      *They are my grandparents.*
