Dear ma'am,

This is to request you to transfer my ward - Master **Priyanshu Shaw** (Class III DB, Reg- 12588) from to Day Boarding Curriculum to Day-Scholar by considering the following two reasons:

1. For the last 6-7 months, as he is regularly complaining about Stomach pain, Doctor has advised him to eat homemade food as he is getting overweight too. Whenever, his pain recurs, he then generally ask us to provide him breakfast and lunch in tiffin which is known to the class teacher as well.
2. The purpose of getting my son admitted to Day-Boarding school was to get him to learn other activities apart from studies like Swimming, Music, Dance, Sports, and other important activities which I feel is not happening regularly in the school neither he has learnt it effectively wrt our expectation. If he is transferred to Day-Scholar, we will be able to make him learn or engage in other activities outside the school.

Hereby requesting you to consider my above request and do the needful to transfer from Day-Boarding to Day-Scholar from Class IV onwards.

Thanks and regards,
Narendra Shaw
